

# N.H. Prescription Guide

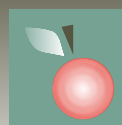

(Effective January - June 2010)

The following guide will provide easy access to preferred agents for the major categories of drugs for your patients covered by N.H. health plans. It will be updated every six months. Some health plans may update their preferred drug list prior to the next revision. If you have any questions, please call the appropriate health plan. (PA) = may require prior authorization (SE) = step edit
